Talk It Over: Invitation: "The Narrow Way"

Discuss these questions with someone – maybe a family member, friend, or member of your LifeGroup. Use a communication method that works best for your situation.

To Start Things off:

• Have you ever taken a wrong turn (literally or figuratively) and realized it after it was too late? Why did you take it, and what did you learn?

Reflect - then Discuss:

Read Matthew 7:13-14 . Jesus says only a few find the narrow
road. What helps someone recognize and stay on that path, even when
it feels lonely or unpopular?

Read **John 10:9** / **John 14:6**. The sermon talked about how not all roads lead to God, even if they seem right. What are some popular ideas in our culture today that sound good but don't align with Jesus' teaching?
